FAQs for University of Scouting

1. **How do we obtain the rockers for our degrees?**

   Come to the desk at the next University of Scouting. If you don't think you will be at University of Scouting, email Judy in January when all the awards are assimilated and she will mail your rocker to you. judyprice@twc.com

2. **How do we know what we have finished towards our degrees?**

   Try to keep your white cards that you are given at the beginning of the day and if you change a class, make sure you write it down. Those are your hard copies, just like a blue card for a merit badge. Shelby has a soft copy on his computer that we can pull up if we need to.

3. **Who do we contact if our records don't match?**

   Contact Shelby Jett or Susan at the council office and she will forward your message on to Shelby.

4. **Can we get our rockers before we leave the U of S for the current year?**

   No everything has to be verified and will take us until January to get that all together.

5. **If I have any other questions or if I would like to be considered for staff for next year, who should I call?**

   Call Judy Price or email her at judyprice@twc.com. If you want to be a part of the staff or have a suggestion that will help us with the next U of S, please contact us early as we work on the U of S all year and have classes and many things in place by April.

6. **Who is the staff person in charge of U of S?**

   Martin Koca, and he can be reached by contacting the Scout office at 859-231-7811.
