What is Cub Scouting?

Cub Scouting is an active program! Boys learn by *doing*, and there's no end to the fun things that Cub Scouts do in their dens, as a pack, and at special events. Cub Scouting provides a year-round Program of fun and learning for boys and their families.

What do Cub Scouts do?

Some of the best things about Cub Scouting are the activities you get to do: camping, hiking, racing model cars, going on field trips, shooting bb guns, archery, or doing projects that help your hometown and the people who live there. Cub Scouting means "Doing!"

Who can participate?

Cub Scouting is for boys ages 7-10 years old or grades 1-5. There is an age appropriate program designed for each age group. No prior scouting history required! Cub Scouting is also about "Family." We create a family friendly environment for all members of the family to grow and participate in together.

Cub Scouting and Sports

Cub Scouting is a full year program. However, you do not have to be present at every meeting. We understand that there will be sport's conflicts, so go out there and win that championship and when you get done…..Come on back to scouting! There are no penalties for missing meetings in Cub Scouting.
