

SPECIAL DIETARY NEEDS FORM

Return this form to the council office no later than 12 days before your arrival at camp

Troop # _____ Week # _____ Campsite # _____

Allergies and special diets are a common concern of our campers. Our food service is very experienced with accommodating most diets including food allergies, religious restrictions, and other health-related diets. We are happy to work to accommodate any diet; however, we require this form be submitted **at least two weeks prior to arrival at camp**.

NOTE: **Special diet requests are for food allergies, religious restrictions, and other health-related needs only.** Requests should not be made for food preferences, personal taste, or for "picky eaters": the camp cannot accommodate these requests and they will not be honored. Vegetarian alternatives are available at each meal and unless a true medical need, should not be requested here.

Example of special diet requests include: gluten-free diet, kosher meals, peanut allergy, lactose intolerance, etc.

Example of diets that are **not** a special request include: vegetarian diets, child does not like vegetables, child will only eat hot dogs or hamburgers, etc.

Please complete this form and submit to the Blue Grass Council at least two weeks prior to arrival at camp:
