

## Online Selling:

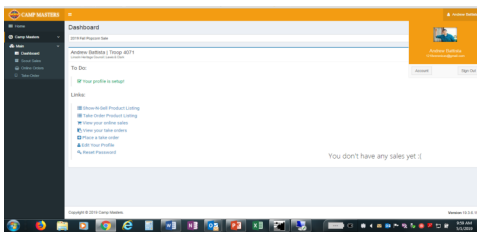

The fastest and easiest way to earn money for your Unit!

With the CAMPMASTERS Online Sales Platform, Scouts can sell to anyone in the US and product is delivered straight to the customer! Scouts simply need to register in the CAMPMASTERS ordering system as part of their Unit so that sales are accounted to the Scout and Unit properly. All sales also count towards your Council and any CAMPMASTERS prizes! While self-registration is new this year, consumers can now also search for the Scout they wish to support due to the updated tech-

Works best with  
Google Chrome or  
Firefox browsers

- To register or find your account go to [www.campmasters.org](http://www.campmasters.org).
- Click the link at bottom left of home page indicating Scouts Log In Here to reach the sign in prompt to the left.
- Click the blue Scouts Register/Find Your Account Here button
- Fill in the required information. NOTE: Each registered Scout must have a valid and unique email when registering for COPPA compliance and system functionality.
- Click the CONTINUE button to find your Unit, select the correct one after searching and check your email for a message from CAMPMASTERS to finish the registration process.
- If you cannot find your Unit please contact your Council to ensure it is active in the ordering system
- Once you've registered and logged into the system you can set your own password via the ACCOUNT link that will pop up when you click the Scout Name at top right of the main dashboard page.

Scouts can set up their profile to include a picture (recommended) and a message that can be seen by those contacted to ask for support via the online sales platform. Consumers can choose the products they may want to purchase and CAMPMASTERS handles the billing via credit card and delivery based on the consumers choice!

- Online Sales count towards all Scout Prizes
- Scouting earns 70% of the purchase price
- CAMPMASTERS handles billing and delivery to US addresses
