

Scout Strong Virtual 6K Race

#ScoutStrong

Fitness and outdoors are a part of Scouting and while you are social distancing and Scouting at Home participate in our Scout Strong Virtual 6K Race.

So how does it work? A virtual race can be a run or walk from any location you choose as long as you are following the social distancing guidelines.

Once registered you will be emailed a racing bib with an assigned number. You will print it off and run your race. You can run/walk on the road, trail, treadmill, or on a track.

You must register and complete the race by Nov 1st and email a race picture to scoutstrong5K@bgbsa.org or post on the [Facebook event page](#).

Patches will be mailed directly to you at a later date.

You do not have to be a Scout to participate in this event and Scouts from other Councils are encouraged to participate.
