About Spring AdVenture

Welcome!

We're glad you've made the decision to join us at Spring AdVenture, hosted by the Blue Grass Council Venturing Officers' Association!

Spring AdVenture is the place for Venturers across the Council to come together in fellowship to shoot pistols & rifles, climb & rappel on our tower, and experience our COPE course!

You'll even get the chance to purchase the very first Blue Grass Council Venturing t-shirt!

Crews will need to bring their own food and a sack lunch for Saturday.

If you have any questions, please don't hesitate to email vpprogram@venturing.bgbsa.net and ask!

Whether you're coming as a crew or by yourself, welcome! We're excited to meet you and enjoy the weekend together. See you at 6 PM on the 2nd!
