### WHAT IS WOOD BADGE?

Wood Badge is the most advanced adult leader training available. A Scouter participating in Wood Badge has the opportunity to understand Scouting as a family of interrelated, values-based programs providing age-appropriate activities for youth. It recognizes contemporary leadership concepts and will help the participant discover how they are relevant to the Scouting movement and apply the skills learned as a member of a successful working team. The course will revitalize their commitment to Scouting by sharing in an inspirational experience that provides Scouting with renewed leadership, resulting in greater youth retention. It is much more than just a scout training. Wood Badge is a peak experience that can be applied to leadership in scouting, business and family.

### WHO MAY ATTEND WOOD BADGE?

Wood Badge is for all Boy Scouts of America volunteers. It has been developed for unit committee, Cub Scout, Boy Scout, Varsity Scout, and Venturing leaders, as well as council and district leaders. There are many options to **help you fund** your Wood Badge adventure. Troops, packs, and crews are often the primary beneficiaries of the skills and leadership gained by the Wood Badge participant. Your unit should be the first place to ask about helping with the costs. In the same way, many charter organizations can help, since they see the value in scouting and the improvement that Wood Badge can provide to Scout leaders. In addition, because of the leadership training and value of the Wood Badge experience, some employers will provide funds or provide the full cost of Wood Badge training. You may also apply for scholarship assistance using the following scholarship application. There are a limited number of \$100 scholarships available.
